Subject: UARP Relicensing - Recreation TWG schedule of upcoming meeting dates

Dear Recreation Technical Working Group Participants,

At today's Plenary Group meeting, the group approved the study plans for the September 15, 2004, Camino whitewater boating study. Thus, the Recreation TWG meeting scheduled for Sept. 15 is cancelled, and based on several participants availability, we've selected Sept. 22 as the make-up day. We apologize for any conflicts this change may cause.

Schedule for upcoming Recreation TWG meetings:

- * September 22, 2004
- * September 29, 2004
- * October 14, 2004
- * October 20, 2004

All meetings will be held at SMUD's Customer Service Center, Timberline 1 & 2, from 9:00 am to 4:00 pm. Primary focus: continue developing the conclusions matrix, including reservoir level objectives, as well as conclusions and potential actions for the following reservoir areas - Loon Lake, Gerle, Union Valley and Ice House.

Please develop your suggested input to the matrix before the meetings to be most efficient with everyone's time. Thank you.
